T_06 TRIBUNA – STATO DI PROGETTO - Piante Rev. 1
02/05/2026

Il Progettista: Geom. Giovanni Gonnelli

The figure displays architectural drawings for the tribune of the sports facility "Fonte delle Donne". It includes a plan view and two sections.

PIANTA TRIBUNA – LIVELLO SEMINTERRATO

The plan view shows the layout of the tribune on the semi-basement level. It features a long, rectangular structure with a central aisle and side aisles. The tribune is divided into sections labeled A through F. The plan includes dimensions for the overall structure and individual seating areas. Key features include:

- Impianto fotovoltaico**: A solar panel array is shown on the left side of the tribune.
- Locale Deposito**: Two storage rooms are located at the right end of the tribune.
- W.C.**: A toilet facility is located near the storage rooms.
- Seating**: The tribune is designed for a total of 290 seats, plus 3 additional seats (3da).
- Dimensions**: The overall length is 21.96m. The width of the tribune is 1.71m. The width of the side aisles is 1.65m and 1.71m.
- Sections**: Two sections are shown, labeled A and B. Section A shows the tribune's profile and the location of the storage rooms and toilet. Section B shows the tribune's profile and the location of the solar panel array.

PIANTA TRIBUNA

The plan view shows the layout of the tribune on the ground level. It features a long, rectangular structure with a central aisle and side aisles. The tribune is divided into sections labeled A through F. The plan includes dimensions for the overall structure and individual seating areas. Key features include:

- Impianto fotovoltaico**: A solar panel array is shown on the left side of the tribune.
- Seating**: The tribune is designed for a total of 290 seats, plus 3 additional seats (3da).
- Dimensions**: The overall length is 21.96m. The width of the tribune is 1.71m. The width of the side aisles is 1.65m and 1.71m.
- Sections**: Two sections are shown, labeled A and B. Section A shows the tribune's profile and the location of the solar panel array. Section B shows the tribune's profile and the location of the side aisles.
